## Director's Corner

By: Nicole Rosser

We really enjoy seeing our families graduate and move into their own homes. But one of the most exciting things is when our families join us for workshops and activities after they have graduated. During the month of July we had the pleasure of hosting a Health and Wellness Seminar which focused on healthy eating and living. A special thank you to our two amazing speakers: Iris Hernandez, Holistic Health Practitioner and Advocate, and Patrice Smith, Author of *Real Food is Real Good*. Coordinator Minister Twiana Speaks from New & Living Way Church facilitated team building exercises and Family Promise's own Dave Razo was also there to get the participants motivated about staying on task with their goals. Our parents received a lot of good information and fun was had by all!

Our Family Promise children were blessed to have the opportunity to attend the Back to School Bash at Rigby's Entertainment Complex hosted by **From the Heart of Georgia to Yours**. Our children received book bags full of supplies, 3 books each, and the opportunity to enjoy the activities at the entertainment center. A huge thanks to Belinda Russell for including us in this event! What a wonderful memory created for our children.

*Congratulations to  
Angela and Family!*

*They moved into their own  
apartment this past weekend.  
We are always proud to see our  
guests obtain permanent  
housing for their families.*

There is still time to give toward "Christmas in July" if you have not already done so. Through the end of the month we are collecting gift cards that can be used at Wal-Mart or JC Penney. These will be used to purchase two outfits and one pair of shoes for the children of seven of our families as they prepare for the start of school. Please call the office, 328-8181, to schedule a time to drop off your gift cards.

Thank you for your generosity!

WILL BE HELD

It will again be held at Central Georgia Technical College. This year's event will help to finance our need for a larger Day Center. Watch the website and next month's newsletter for more info.
