HAPPY HOLIDAYS!

Family Promise has always been blessed during the holiday seasons with support from our community; this season proved to be no different. We are grateful for the groups and organizations that adopted families this year. Our families are always grateful, but this year was different. As we delivered packages to our families we noticed that each family had a gift they wanted to share with us too. Some were hand made gifts, some snacks, and some were gifts that had been purchased. It reminded me that today, no matter our difficult situations, we all want to see each other smile. It is definitely the most wonderful time of the year!

A Heart Warming Message from a Previous Guest

"In the past five years I have needed help to provide Christmas for my kids. Someone always blessed me and adopted my kids for Christmas or connected me to who I needed to contact for help. Last year I cried because I hated that I needed help every year, but was happy at the same time that there are people who love me enough to help me. I wrote my goal down: '2020 will be the year I ask no one for assistance during Christmas.' This year I asked no one for assistance! My kids got exactly what they asked for in reasonable means. I even blessed a few of my friend's businesses, gave money to Salvation Army, and gifts to Toys for Tots this year!

MORAL OF THE STORY. . . You don't get what you WISH for, you get what you WORK for.

Write your goals down and change what you don't like. . . "

We are so very proud of you!

Thank you for allowing us to share your testimony.

We would like to WELCOME our new part-time Case Manager, JACKIE HERRERA, to FPGHC. Jackie comes to us with a wealth of knowledge and has worked in the social services field for more than 10 years. She has worked at the Solicitor's Office, HODAC, and the Salvation Army Safe House. She is also bilingual, fluent in Spanish, a great asset to us. We are excited to have Jackie on our team.

Alternate ways of Giving Benefit our Mission

When we think of financial support of any non-profit organization we most often think of donations given by check and sent directly to the organization. However, we realize with the technology readily available, many prefer to use on-line tools or other giving methods. We Thank You for your support in whatever avenue you choose to use in support Family Promise.

Through the GA GIVES campaign this month \$190 was given. We recently received \$52.18 through AmazonSmile.

An Anonymous supporter collected \$40 through RX for Homelessness. CFC sponsored a Live Virtual Bus Tour December 18th and FPGHC was a featured agency on the tour. We receive quarterly donations from the Kroger Community Rewards program and Belk Charity Day Sales are always a success. Every dollar given is used here in Houston County.

Your support is the reason we can
"End Homelessness One Family at a Time"!!!
