## Director's Corner

Nicole Rosser, MPA  
Executive Director

One of the really awesome supportive programs that Family Promise has is our transitional housing. We have three partnerships that allow qualifying families to utilize transitional housing after graduating from the program. Since opening our doors in 2013 we have successfully placed nine families in transitioning housing. In this issue we would like to spotlight First United Methodist Church. During the month of July we were able to place our sixth family with the Helping Hands Ministry. This ministry has been a great support to our families, allowing them the family stabilization, fellowship, and support as well as the opportunity to save money for permanent housing.

**Note: Families in transitional housing are responsible for money, rent, and utilities. First United Methodist Church has partnered with Family Promise since opening our doors in 2013.**

As many of you may know, use of our first Day Center was donated by this church. Already with an overflow of support from First United Methodist Church, this group has now come on as a Host Church! Please join us in welcoming FUMC and their new Coordinator Shelia Knowles.

A huge Thank You to everyone who stepped in to help us during our open host week in June! Thank you to Christ United Methodist Church for allowing up to use your space to host.

## BARBERSHOP

There are so many ways to volunteer with Family Promise of Greater Houston County! Pictured is House of Styles Barber shop. Rick is a barber there and has been an awesome volunteer for many years. He provides haircuts to adult males and children in our program.

Thank you for all that you do Rick!

# Volunteer with us!

**There are many different ways in which you can volunteer to help Family Promise of Greater Houston County. What special skills and talents do you have? Would you be interested in sharing them with our families? If so, please contact our Director, Nicole Rosser, at (478) 328-8181. Pictured below are some of our awesome volunteers..**

**Pictured to the left is Sgt. David Trussell as he provides on-going technical support to our program. Again, there are many different talents and skills that you can share with us.**

**Thank you Sgt. David Trussell!**
