## Director's Corner

**Nicole Rosser, MPA  
Executive Director**

On some rare occasions, we have the extreme pleasure of hanging out with our families off campus. It's a great time to bond and get to know each other. No rules, no case plans, no homework. But what we did have was lots of laughter, children able to run around with no fussing, eating great food, and making memories that had absolutely nothing to do with the families being temporarily displaced. Rigby's Entertainment Center and The Georgia National Fair were the perfect getaways for this.

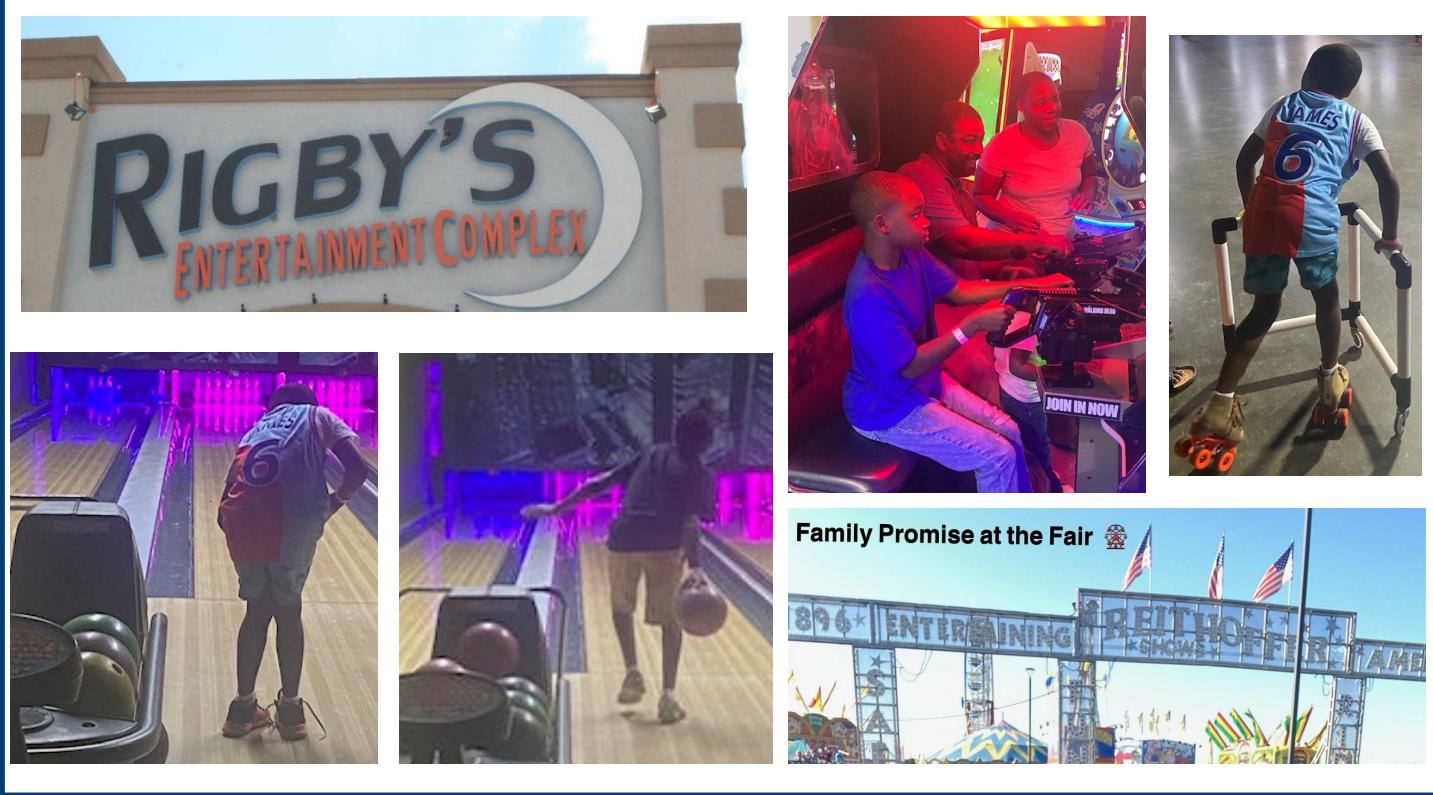

It was also a chance to celebrate our families (both adults and children) for staying on course and accomplishing goals during a time that is extremely challenging.

We can't show you all the photos with smiles, hugs, and laughs (confidentiality purposes) but trust me when I tell you a fun time was had by all. It is a possibility that the adults had more fun than the children. See photos on page 2.

Thank you to the wonderful volunteers who joined us for these two events and helped to create these special Family Promise moments.

We are also excited to share with you that two of our families are graduating from transitional housing into a place of their own during this last week of October. We are so proud of our families for all their hard work and commitment! We know they will continue to accomplish great things.

We want to express our gratefulness to the members of Mount Calvary Lutheran Church, 336 Carl Vinson Pkwy, Warner Robins for their generous donation to Family Promise through the "Prescription to End Homelessness" program. We also want to say Thank You to Ms. Vivian Stilley for heading up this campaign each year.

What is the Prescription to End Homelessness program you ask? We are happy to explain it to you. Individuals or groups can support FPGHC financially through this program. Contact our office and ask for the 'prescription bottles' for yourself or group. Hand out the bottles asking folks to fill them with quarters, this will equal \$10. Return the bottles to Family Promise. It is just that simple. Of course some folks prefer to place a \$10 bill or a check in the bottle and that is fine. The point is that with many people contributing to the cause, it adds up quickly in support of this ministry. You can read more about it on our website under the "Get Involved" tab. We hope to hear from you soon!

Stay Safe during the upcoming Celebrations and Holidays; Enjoy your time with family and friends!
