**TOGETHER  
WE CAN  
DO MORE!**

During the month of May, Family Promise of Greater Houston County has the wonderful opportunity to provide meals to more than 75 families in Houston County through a partnership with Moe's Southwest Grill.

Moe's is feeding families and fueling hope by partnering with Family Promise to provide meals, based on customer purchases, to families needing assistance. For every Taco Kit purchased in the month of May, Moe's is donating one to a local family through Family Promise affiliates across the United States. This national partnership was created to serve families in crisis during the current pandemic situation. This opportunity has allowed us to work with the Houston County Board of Education and local churches in our affiliate to serve families in Houston County.

During these challenging times it brings great comfort to Family Promise and the families we serve to know we are a part of such a caring community.

Thank You, Moe's for your generosity!

You can visit the Moe's location at 2628 Watson Blvd, Warner Robins to be a part of this endeavor. Order a Taco Kit for your family and one will be donated to another Houston County family.

**Congratulations,  
To all Area Graduates!  
We are proud of you and all  
You have accomplished;  
Best Wishes on your next adventure!**

*We are so grateful for your generous donations to our "Un-Gala" Event. Your donations surpassed our goal! These funds have been allocated for the Family Promise **Sustainability Relief Assistance Program** to assist hardworking families during these challenging times.*

*Because we understand there is more at stake than financial restraints, FPGHC has partnered with Revealing Strengths Counseling, LLC and anyone receiving assistance through **SRAP** will have the opportunity to take advantage of a workshop/session (for adults & children) that will give families coping tools and resources to utilize in efforts to minimize stress based responses during time of change and uncertainty.*

*Thank you, again, for your generosity, confidence in our work, and helping us fulfill our mission. If you know of anyone that may need our assistance, please give them the information sheet on page 3 of this newsletter.*

The Family Promise of Greater Houston County

***Sustainability Relief Assistance Program***

Is designed to assist working or temporarily displaced families with children who are financially fragile due to the current pandemic. The purpose of this program is to prevent homelessness.

- \* Must have a valid Georgia ID or Driver's License
- \* Must have children under the age of 18, currently residing with you
- \* Must show proof of employment prior to March 1, 2020
- \* Must show past due balance
- \* Must reside in Houston County

Assistance will be provided during the month of June.

The amount of assistance will vary based on family size, income and need.

Call our office, 478-328-8181, to schedule a screening or for further information. We will be scheduling intakes for assistance by appointment only through June 19, 2020.

### Board Members and Other Volunteers at Work

During the current pandemic it has become necessary to change the way we provide services to our guest families. We still have amazing support from our churches, but we are not able to offer our normal rotations at this time. However, we are preparing to temporarily serve families in our transitional houses until we get back to our regular rotation schedule in the near future. We are so grateful to have the support of awesome board members and volunteers who take our mission to heart and step up when needed.

Disinfectant Spray

As you are aware, the Belk Charity Day,  
originally scheduled for May, had to be  
cancelled. As of now, plans are in place for  
a Charity Sale to be held in August to allow  
Family Promise to sell tickets for the event,  
as we have done in the past. We will post further  
information as we receive it.
