## Director's Corner

**Nicole Rosser, MPA**  
**Executive Director**

As a community organization we strive to do everything we can to preserve the safety and health of our guests and volunteers. The current state of crisis has been a challenge for us all. How we serve and

support our families has been limited due to our churches being closed and the Shelter-in-place policy in effect.

Even with limits, our volunteers have carried a passion to serve and we still have families in the program. We understand there will be a greater need in the coming weeks to serve not just families in the program, but families with children in our community. In an effort to assist more families our spring fundraiser will be dedicated to keeping families in place.

We have a goal to assist 50 families with children in Houston County during the month of June. We hope that you will support our efforts by making a donation to our Un-Gala event. In light of social distancing and other policies that are in place, we will not be able to fellowship as we normally do, but we hope you will attend.

Many prayers of health and safety to our community!

*Attire: Your favorite lounging clothes*

*Tickets: \$30*

Houston County is a community of hard working, dedicated families. Many families are financially fragile under the best circumstances and face a greater challenge due to the recent events related to the current pandemic. Family Promise of Greater Houston County wants to do our best to support the families we serve, our graduate families, and others in the community that are facing this difficult situation.

By purchasing a ticket(s) you can help families from becoming homeless again or assist families who have been laid off or have had their hours reduced. They may have bills and rent postponed but they will have to pay those balances in the future.

Interview screenings and intakes of the families we will assist begin Monday, May 11th. Therefore, we hope to have commitments to this effort by May 8th. The amount of funds received will determine how many families we can serve.

If you are also struggling to meet your financial obligations, we understand and hope you will continue to support Family Promise during better times.
